

Environmental Policy of Senator Security Services Limited

Senator Security Services Limited is committed to the adoption of environmentally responsible policies and practices, together with the regular review of both its performance and scope for further improvements. Senator aims, through continuous staff awareness, to create and maintain the highest levels of environmental responsibility, we are committed to continual improvement and preventative pollution.

Senator maintains a fundamental belief in the importance of protecting the environment, and will take all necessary steps within its power to eliminate, or control, environmental hazards by:

Striving to adopt the highest possible environmental standards in all its operations, wherever these are located.

Aiming to use the most economical use of all materials, supplies and energy, using renewable or recycled materials wherever possible.

Keeping itself fully informed of best practices elsewhere and compliance with environmental legal and any other requirements.

Minimising waste produced in all parts of the business, inclusion of recycled materials and the methods for environmentally acceptable disposal of materials as necessary.

We shall consistently comply with applicable legal requirements to which Senator subscribes relating to our environmental aspects.

Encouraging employee involvement in positive environmental action. Regularly assessing the environmental impact of all its operations.

All Senator staff has a responsibility towards the environment, in which they live and work a responsible attitude and commitment to the Company's objectives are expected.

Our environmental objectives and targets shall be reviewed on an as and when basis and formally reviewed at each management review of the Environmental Quality Management System.

This policy shall be available to the public via the organisations web site
